The bonds were rated AA-, Aa3, and AA- by Fitch, Moody's Investors Service, and Standard & Poor's, respectively.

The underwriters, led by Lehman Brothers with Bear, Stearns & Co. Inc. and Merrill Lynch & Co. serving as co-senior managers, sold the bonds in a negotiated sale. Estrada Hinojosa & Company, Inc.; Goldman, Sachs & Co.; Great Pacific Fixed Income Securities, Inc.; Roberts & Ryan Investments Inc.; Siebert Brandford Shank & Co., LLC; and The Chapman Company participated in the sale as part of the co-management team. The bonds will support the financing of long-term mortgage loans to California military veterans for the purchase of farms and homes under the Farm and Home Purchase Program of the State Department of Veterans Affairs. The Department began making low interest financing available to qualified veterans after World War I. Since its inception in 1921, over 410,500 veterans have benefited from loans provided by this program.
